"I believe that every right implies a responsibility; every opportunity an obligation, every possession a duty"

~John D. Rockefeller, Jr.~

"It's a question of discipline," the little prince told me later on. "When you've finished washing and dressing each morning, you must tend your planet."

~Antoine de Saint-Exupéry, The Little Prince, 1943~

GO M.A.D.
GO Meet A Deputy!

Forum Synergies is co-founder and a strong supporter of the ARC2020 movement, the Agricultural and Rural Convention.

A reform of the Common Agricultural Policy of the EU is currently under way. However the European Parliament's Agriculture Committee has just adopted a position, which is weakening the reform proposals made by the European Commission. There is also a great risk that the budget for EU Rural Development Policies will be cut by 30%.

In this moment it is very important that citizens contact their Members of European Parliament and clearly express what kind of policies they wish to see and to remind their deputies that elections for the European Parliament are taking place next year.

The GO M.A.D. initiative (Go Meet A Deputy) invites you to take your responsibility and offers you all kind of support to meet YOUR deputy!

We have the option to act now!

On 24.January the GO M.A.D. campaign was launched.
