About us

Leader Group EMO, Mld-Uusimaa development Association, Finnish Village Movement Association.

Offer: close insight to Finnish rural development system (including LEADER and RDP) from grassroots to national decision-making level, cases from all levels from a practical view. In addition a travelling workshop and visits to Estonian and Latvian systems, notably the Latvian Rural parliament. The practises in a Finnish Leadergroup+ visiting projects in the area. Providing materials to the trainee in English.

What we expect from trainee

To be ready to explain about the national RD at different occasions, networking with Finnish actors and creating/ planning cooperation initiatives, participate in the Estonian/ Latvian tour (democracy discussion) and planning TNC project), make a report on learnings and suggestions on how things could be done differently or better.

Preferred languages

EN, FR; other languages: Finnish, Swedish, (German, Spanish)
